In forwarding herewith a letter No.Rc.327/A2/51 dated 18-6-51 received from the Director of Public Instruction Madras together with an application for the local purchase of articles of furniture referred to therein, I have to state that I have no objection for the local purchase of furniture since the Central Jail, Cannanore is not in a position to undertake the order for supply early in July 1951 and the articles are required very urgently by the Principal Government College, Mangalore.

Copy of letter from the Principal, Government College, Mangalore to the Director of Public Instruction, Madras.

Rc.No. 362 A-51 dated 10-6-1951.

Subject: FURNITURE FOR THE COLLEGE- Purchase during 1951-52 - Indent submitted.

Reference: Your Proceedings Rc.No. 12/A-51 dated 22-3-51.

In submitting herewith an indent for the purchase of articles of equipment required for the College during the current year, I request for sanction for incurring the expenditure of Rs. 4,879/- (Rs. 4479/- towards cost of the articles and Rs. 400/- packing, forwarding charges etc) from out of the allotment of Rs. 5000/- placed at my disposal under purchase and repairs to furniture - contingencies during the current year. The Particulars required are enclosed.

The quotations received from the Karnataka Polytechnic Mangalore and the Central Jail, Cannanore and the other local manufacturers are enclosed. The rates furnished by the Central Jail, Canannore are comparatively lower than the rates of the Karnataka polytechnic, Mangalore but the packing, forwarding charges from Cannanore to Mangalore partly by rail and partly by road will have to be provided therefor. The Principal, Karnataka Polytechnic reports that he will be able to supply the articles of furniture in about 6 months from the date of placing the orders. But from experience during the past two or three years it is found that the date fixed is not kept up and the articles had to be secured long after the due dates and they were never prompt in their supplies. However I shall be placing orders with the Karnataka Polytechnic, Mangalore for some of the articles noted below which are necessary for the college

1. Resewood, rattan chairs with arms - 12
2. Rattan seated, two seater low chairs Resewood. 4
3. Cup-boards
4. Rostrum

The following articles however, which are urgently required and which cannot be supplied by the Government institution like the Central Jail, Cannanore and the Karnataka Polytechnic by the due date for our needs are proposed to be purchased from the local market namely the St. Joseph's Asylum Workshops, Kankanady. Their workmanship is far superior to those of the two institutions referred to above and they are also prompt in the supply of the goods. The rates quoted by them are also much cheaper than others and they are prepared to supply the articles for the college especially when classes commence work early in July, 1951. Much inconvenience is felt for want of adequate furniture in the classes I, therefore, request that sanction of the Government may kindly be obtained for the purchase of the following articles of furniture from outside the jail or Industrial Departments for the reasons specified above, especially in view of the urgency of the matter.

If sanction is not given for purchasing the furniture required urgently, I will have to work the College from 9 a.m. to 5.30 p.m. which are improper hours especially during the monsoon season. All extracurricular activities will have to be closed.

Articles proposed to be purchased from outside the jail department, St. Joseph's Asylum, Workshop, Kankanady:-

Almirahs with glass shutters- Teakwood	No. 2
Teakwood benches with backs	40
Students' chairs	25
Students tables	25

I solicit the favour of urgent orders in the matter so that I may place the orders for the supply of the articles immediately. The particular required are furnished in the enclosed statements.

P.T.O.

Particulars required in Director's Proceedings No. [illegible] regard to purchase of articles of furniture in the open market- Government College, Mangalore.

Name of articles of furniture.	No. required.
Big almirah forthe Library with glass shutters	2
Teakwood benches with backs	40
Students chairs without arms	25
Students tables	25

2. Date on which the need for purchase arose.

The almirahs are for keeping the new books purchased forthe Library The costly books are required to be cared for especially during the four rainy months they cannot be kept exposed. There are no spare almirahs available which could be used for the Library.

The benches with backs are required for the Academy Hall where there is no furniture. Whenever meetings are held (and there is at least one meeting every week, of the college Union where all the members of the college are present) and examinations are conducted, the furniture from the lecture halls is being shifted to the Hall and that is again transferred to therespective class rooms for holding classes the next day, which means unnecessary labour and it is a terrible strain on the peons and sweepers: naturally they are very much discontended. There is therefore, urgent necessity for the benches indented for. They are also meant for replacing some of the rickety and moth eaten benches which are being condemned as unserviceable.

Students tables and chairs are required forthe class rooms especially for the new classes- Kannada under Part III of the Intermediate course. They are also required for the conduct of the University and other examinations. The new class is to be opened in July, 1951 and hence the urgent necessity therefor.

3. Date on which the Jail Department and the Karnataka Polytechnic were addressed:- 17th April, 1951.

4. Letter of the name of the Superintendent of the Jail, Department and the Principal of the Karnataka Polytechnic, Mangalore.

The Superintendent, Central Jail Cannanore informs that the articles could not be supplied by the end of September 1951 if the order is placed immediately.

The Principal, Karnataka Polytechnic Mangalore reports that the articles could not supplied in 6 months from the date of placing the orders.

5. Urgency necessitating local purchase:-

As already explained under item 2 of the statement and also in the covering letter the articles of furniture are urgently required for the college when the classes commence work in July, 1951. Both the Government institutions under reference are not prepared to supply them by this date. Moreover to get the articles of furniture from Central Jail, Cannanore will mean extra expenditure under forwarding and packing charges partly by rail and partly by road and the net cost to the Government is very much higher than the quotations furnished by the local suppliers.

Also I should state from experience that the Polytechnic is unable to supply the furniture within the time they promise to do.

The local manufacturers are prepared to supply the furniture in time and the quality of work is also much superior and the cost of articles is also low.
